National Drug Code (NDC) and Unit of Measure (UOM) Required for All Drug Related HCPCS Codes — Effective May 26, 2014 — REVISED

This memorandum (which supersedes the memo entitled “National Drug Code (NDC) and Unit of Measure (UOM) Required for All Drug Related HCPCS Codes — Effective May 26, 2014” dated April 23, 2014) is a REVISION to the previous memo, which has been removed from the Web Portal.

The purpose of this memorandum is to inform providers of the Department of Medical Assistance Services (DMAS) change in billing requirements for the submission of the National Drug Code (NDC). Effective with claims received on and after May 26, 2014, DMAS will begin capturing the NDC and Unit of Measure (UOM) for ALL Health Care Procedure Coding System (HCPCS) codes related to drug administration by a physician in an outpatient setting. DMAS will no longer limit this to only “J” codes.

The correct instructions for submitting the NDC and UOM on the CMS-1500 (02-12) can be found in the Medicaid Memorandum dated March 21, 2014, Locator 24A, red shaded field.
